Profile

I am a first semester student of the degree in software engineering. At the moment I'm a full-time student.

My aspiration is to be able to graduate from the degree and to be able to develop in the labour market as a software engineering.

Experience

2020 - 2021	Local business	Dependent
	I teach myself a little bit and give me some real experience about the labour market. The constant interaction with people helped me to improve my communication skills. Improve my time and tasks management in my life.	

Education

2019 - 2022	My High School	Escuela Preparatoria Dos
2022 - 2025	My Studies	Facultad de Matemáticas UADY

Languages

First language: Spanish

Intermediate: English

Hobbies

- Play videogames
- Listen music
- Watch movies
- Play guitar
